Policy No. POL06

Please take note that where the words “we”, “us” or “directors” are stated, this refers to the board of directors of Wick Players who oversee the successful running of the club.

The board of directors of Wick Players has adopted this policy and each member is expected to support and to comply with it.

Policy on The Act of Photography.

Wick Players is committed to a policy on the act of photography at events being held by Wick Players.

Strictly, no photograph of any person during an event being held by Wick Players will be taken without the permission of the individual of whom will be getting their picture taken. Permission to take a photograph or photographs must be granted from the authorising individual at the time (i.e.- production director).

Should an individual wish to take photographs of any junior member then consent must be granted from the parent or guardian of the junior member. Permission does not have to be sought from the parent or guardian if he or she has completed, signed and returned an I.C.E. form.

It is not advisable to allow photographs to be taken during a live performance, however, this is at the discretion of the director(s) of the production or the board of directors of Wick Players. Should this not be permitted then the audience present at the live performance must be notified.

Wick Players will ensure that all directors are aware of this policy.

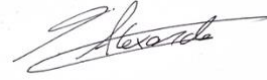

Wick Players undertake to make a copy of this policy and the code of practice available to all members.
